## Arcadia This Saturday

Due to the addition of an A/AA League, the schedule has changed significantly. Please check the season schedule below for details.

We will be playing the Miami Hurricanes in **Arcadia** this Saturday at 11:00. This game pits the two undefeated teams in a battle for first place.

Please make sure to be at the game, ready to play by **10:45**.

## Information on Oceanside Game

You may have noticed that we are scheduled to play in Oceanside on October 17. This game is against the Oceanside Trojans. We will be assembling a team using the top players from the East (Seminoles, Tarheels and Falcons) in both the A and AA division.

The Oceanside Trojans are a "club-like" football team. We've been told that they practice 4 days a week and have been doing so for the past 4 months. We have seen video of their games, and we know it will be quite a challenge. This Trojan team is made up of 3<sup>rd</sup> and 4<sup>th</sup> graders. Please be aware that their weight limits are different than ours, so there will be heavier players out there. However, this will give us the opportunity to play players at positions that have been restricted before. They also play 11-man football on a larger field.

Currently, the following Seminole AA players have been selected to play on the team (other players may be added later):  
Steven Comstock, Raymond Serrano, Matt Avila, Noah Rodriguez, Joseph Romero, Aaron McCraven, Mason De Los Santos and Elijah Palacio.
