

Welcome to G Suite for Education

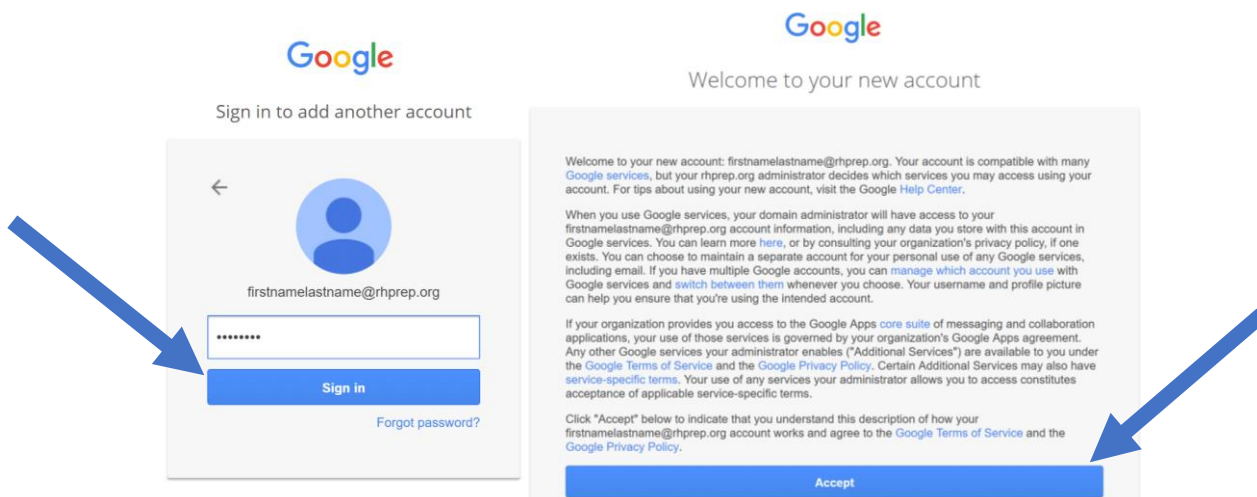

How do I log in?

Once you have submitted your Parent Consent Form for the GAFE program we will create an account for your student. We will send an email with their login information to your iNow email account.

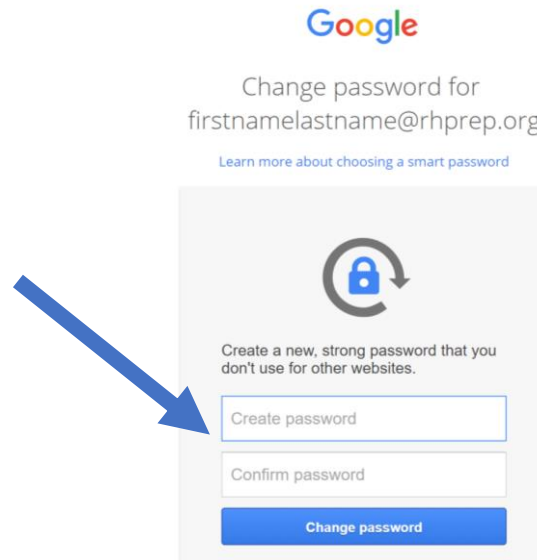

1. Go to www.google.com and click on the Sign In button on the top right of your screen. We recommend using Google Chrome for your web browser.

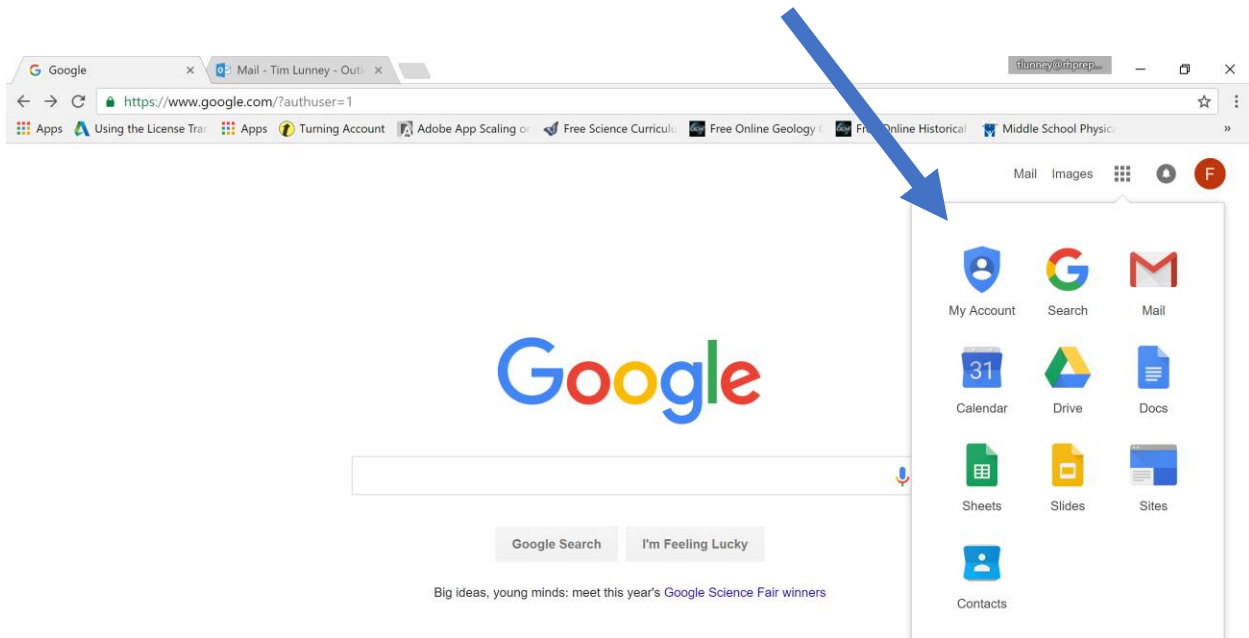

2. Sign in using the login information sent to your iNow email account. Click on **Sign In** and then **Accept**. Your username is your first name followed by your last name @rhprep.org with no spaces between your names (all lowercase).

3. The first time you log in you will be asked to create a new password for the account. You must enter it in both boxes.

4. Once logged in you will now have access to all of the G Suite products including Google Docs, Sheets, Calendar, Slides, Sites, Gmail, Classroom and more!

If you are having any problems logging into your account, please contact Mr. Lunney at tlunney@rhprep.org.
