Rio Hondo Preparatory School – 2026-27 School Year
Information for Financial Assistance and Merit Scholarships

At Rio Hondo Prep School, our desire is to provide an environment where all students can be successful in developing their God-given talents. For students to receive financial aid and scholarships, students are expected to excel in academics, the arts, on their teams, and in their personal development.

WHAT IS THE PROCESS?

We have designed a program of financial assistance along with some merit scholarships to help families provide this opportunity for their children. Our process requires parents to complete a financial aid application online (including submission of tax documents). We use SSS, an independent school service, to process applications.

The link to this site is: https://aid.ravennasolutions.com/apply/FamilyLogin?startURL=%2Fapply. The school code is **#6039.**

Parents create an account and complete the application. This should be completed **by March 15** for priority consideration. The service lets the school know how much a family should be able to pay for tuition.

At the same time, your child may apply for a merit scholarship through the RHP office. Students complete an online application and **submit it by March 15.** Kare Merit scholarships are awarded to students in good standing who have been recommended by their Kare Youth League leader and teacher. Financial need must be demonstrated. HS applicants also submit recommendation from their clergy and their assistant leadership leader. (Note: New student applications will be accepted after March 15 – subject to availability of funds).

WHEN DO WE FIND OUT?

When we receive the results from SSS, a committee will review your report and make an award of financial aid and/or scholarship funds available to you (if you qualify). This is a **partial reduction of tuition** depending on funds available (**Rio Hondo Prep does not offer full scholarships**). Depending on your submission date, we can normally provide your report within 30 days. **Applications must be completed with all documents provided for us to consider an award.**

Your contact will be Mr. Edwin Ixta at (626) 444-9531 ext. 167

THE FINAL STEPS ~ REGISTRATION AND TUITION

As soon as you have reviewed and accepted your financial aid package, you must pay a registration fee of $110 (continuing students) $210 (new students) to hold your seat for next year. Once a class is full, a waiting list will start. To ensure that you hold a seat, this fee should be received by April 15.

If you receive assistance, your tuition will be reduced and you will decide on a payment plan. We offer annual, trimester and monthly payment plans. All tuition must be paid in full by April 2027. There is a reduction of $200 for all tuition paid in full by February 1, 2027. Please refer to the tuition charts for further information. Please feel free to contact Mrs. Loomis (626) 444-9531 ext. 146 regarding tuition questions.
